

# Move the Needle with Your Automotive Accounts

Introducing our new **Auto Dealer Market Share Reports**, featuring dealer-specific data from Polk® – the premier provider of automotive information.

- EXCLUSIVE market share analysis specific to your dealer, their brand and local market can save accounts and drive new business
- Verify the performance of your automotive accounts against their competitors
- Get exclusive buyer demographics not available in any other single-source report
- Purchase single reports as needed - no subscription required
- Now, small and midsize markets can afford the power of Polk

Available now for \$295 each from the Research Store at **Ad-ology.com**

AdMall users can save \$25 using the promo code found in the Know Your Advertiser section of any Automotive Account Intelligence Report
